I. NUMBER OF PARTICIPATING SCHOOLS

A. Eight (8) schools will be selected from each of three classes (3A, 2A, and 1A) to participate in the Duals State Championship.

B. For each class, one school will be invited as the top school from each of the four IHSAA individual semi-state locations (Merrillville, Fort Wayne, New Castle, Evansville). Additionally, four Wildcard schools will be selected as the next best four schools, regardless of location in the state.

II. SELECTION PROCEDURE: The eight schools in each class will be selected according to the following four procedures:

A. The top team from each class from each of the four semi-states will be selected and invited for the following season's IHSWCA event based solely on points earned in the IHSAA individual state series (see Part III for scoring system).

B. The first two Wildcard positions for each class will also be selected and invited for the event based solely on points earned in the individual tournament.

C. The third Wildcard for each class will be chosen immediately after the individual state finals by a Selection Committee vote from among 1) the highest scoring team not already selected and 2) any teams within 30 points (classes 3A & 2A) or 35 points (1A) of the given highest scoring remaining team.

D. The fourth Wildcard for each class will be chosen during the season of the Duals Championship event by a Selection Committee vote from among 1) the highest scoring team not already selected and 2) any teams within 30 points (classes 3A & 2A) or 35 points (1A) of the given highest scoring remaining team.

III. BASE SCORING SYSTEM: The following 2-part scoring system will be used to select the participants for the IHSWCA Duals Championship (Undergraduate Points PLUS Replacement Points).

A. UNDERGRADUATE POINTS EARNED from the IHSAA individual state series, based on the following classed chart:

	Class 3A	Class 2A	Class A
Sectional (no place)	5	6	9
Sectional (5 th -6 th)	6	7	10
Regional (no place)	13	16	18
Semi-State (1 st Rd.)	17	26	28
Semi-State (2 nd Rd.)	24	32	36
State (no place/8 th)	36	37	39
State (6 th -7 th)	40	41	42
State (3 rd -5 th)	45	45	46
State Runner-up	47	47	48
State Champion	50	50	50

(Note: Underclassmen that did not wrestle at least 10 matches prior to sectional and do not advance to regional will earn zero (0) points)

B. REPLACEMENT POINTS PROJECTED for new starters replacing seniors in the following season, according to the following formula:

Number of Seniors in the Sectional Lineup TIMES
Average Points Scored for All 14 Team Members TIMES
Expected Replacement Level (see chart)

Seniors	3A/2A Starter Replacement Level	1A Replacement	Seniors	3A/2A Replacement	1A Replacement
1	0.80	0.72	8	0.55	0.45
2	0.76	0.68	9	0.52	0.42
3	0.72	0.62	10	0.50	0.39
4	0.68	0.59	11	0.47	0.37
5	0.65	0.55	12	0.45	0.34
6	0.61	0.52	13	0.42	0.32
7	0.58	0.48	14	0.40	0.30

IV. ADJUSTMENTS TO BASE SCORING: The following adjustments will be made to the base scoring system for the purpose of competitive fairness.

A. An Early-Round Multiplier will be used to adjust 2A and 1A (NOT 3A) points according to this description:

1. The multiplier is calculated using IndianaMat.com Genius Ratings for each team in each sectional and regional such that early-round results for each team will reflect values as if all teams wrestled in an average quality-level sectional and regional. The value for each sectional reflects weight from both the sectional in question and the opposite sectional of that sectional's regional. Values are capped at 1.3 and the lower limit is 0.7.
2. The multiplier will adjust only points earned by Sectional Non-Placers, Sectional 5/6, Regional Non-Placers, and Semi-State first round losers.
3. These values will be used for adjusting 2A & 1A base scores in 2012:

Sectional	Multiplier	Sectional	Mult.	Sectional	Mult.	Sectional	Mult.
E. Chi C.	0.70	Elk Mem.	1.23	Craw-ville	0.90	Avon	1.16
Calumet	0.70	Westview	1.04	Zio-ville	1.30	Mooresv.	1.30
Crown Pt	0.98	Carroll-FW	1.27	Ham. Hts	1.01	Northview	1.14
LaPorte	0.93	NewHaven	1.17	Lawr. Cen	1.08	Jenn Co.	1.04
Mishaw.	1.18	Peru	0.77	Indy Was.	1.16	Jeff-ville	0.70
Plymouth	0.99	Oak Hill	0.70	Warren C.	1.30	Southridge	0.70
Twin Lks	0.87	Jay Co.	1.00	Shenan.	0.72	Castle	1.13
Laf Jeff	0.97	Delta	0.75	S. Dearb.	0.85	Ev. Mem.	1.30

B. An underclassmen injury provision will be used.

1. If a sophomore or junior who reached at least semi-state level in the previous season is injured and does not wrestle at all at sectional, his team will be given his previous season's points—minus the team's calculated replacement value (see Part III).
2. The coach of the wrestler in question must submit a form online by January 31, 2012, to alert IHSWCA Data Managers of the issue, so that points can be adjusted before selections are officially announced.
3. The wrestler in question must have wrestled at least 10 matches during the season.
4. Wrestlers who do not wrestle sectional due to missing weight or being disciplinarily or academically ineligible do not qualify for this provision.

C. A move-in, transfer, and “comeback” provision will be used to adjust scores for selection of the final Wildcard for each class in the actual season of the IHSWCA Duals State Championship.

1. An out-of-state move-in from a Top 15 wrestling state nationally who qualified for the state finals in his state will earn first-round semi-state points for his team—minus the team’s calculated replacement value.
States: PA, OH, IL, CA, MN, IA, NJ, MI, FL, OK, VA, WI, MO, OR.
2. An in-state transfer who earned at least semi-state points in the previous season will have his points transferred to his new school—minus the team’s calculated replacement value.
3. A “comeback” wrestler who did not wrestle at all in the previous season, but who earned at least semi-state points 2 seasons previous to the actual event, will have those points applied to his school—minus the team’s calculated replacement value.
